COMMENT SHEET/QUESTIONNAIRE

Thank you for joining us this evening and contributing to the future of Mack Laing Nature Park. Working from the information provided by our facilitator/presenters, we invite you to review the rendering of the proposed viewing site/platform and provide your thoughts/feedback/improvements and/or other suggestions in keeping with the goal of public recreational enjoyment that continue to honour the conservation and educational goals that reflected Mr. Laing and that remain within the parameters of money presently in the Town's Trust Fund ($261,474 as of December 2018).

We invite you to consider and respond to the following questions:

1. What are your initial thoughts of what is currently being proposed (viewing site/platform)

2. What specifically do you like?

3. What specifically don't you like?

4. Do you envision something different? If so, what?

5. Any other comments?

Please leave your completed sheets at your workstation. These will be collected at the end of the evening and reviewed/considered as Council moves forward.
