

PROCLAMATION

Pollinator Week June 20-26, 2022

- WHEREAS Pollinators, including birds, bees, bats, butterflies and beetles, play an important role in the production of our food supply;
- WHEREAS Pollination plays a vital role for the trees and plants in our community, enhancing our quality of life and necessary for maintaining a healthy and diverse ecosystem;
- WHEREAS Citizens have a critical role to play to help save declining pollinator populations; and
- WHEREAS The Town of Comox is striving to become a leader in this field by promoting the planting of native plant species, protecting and maintaining pollinator habitat, and restricting the use of pesticides;

NOW THEREFORE,

**I, Mayor Arnott, do hereby declare
June 20-26, 2022 as Pollinator Week
in the Town of Comox.**

Mayor Russ Arnott
