Duties and Responsibilities:

- Coach grassroots squash fundamentals
- Deliver beginner-friendly sessions focused on movement, racquet skills, rules of play, and confidence-building
- Teach athletes with little or no experience, emphasizing physical literacy, fun, and safe skill progression
- Adapt instruction for varying ages and skill levels
- Ensure a positive and safe sport environment, with safety as the top priority
- Assess games and activities to promote safe play and appropriate challenge
- Collaborate with other instructors when coaching groups of up to 10 participants

Qualifications:

- Experience playing and/or coaching squash, and working with children and adults
- Ability to manage and teach up to 10 participants per class.
- Team player with a commitment to quality coaching and participant enjoyment
- Excellent interpersonal, communication, organizational, time-management, and problem-solving skills
- Minimum age: 18 years
- Criminal Record Check (required)
- Emergency First Aid (Basic) & CPR-C with AED certification
- Completion of the following free online training modules before the start date:
 - [Coaching Association of Canada Safe Sport Training](#)
 - [NCCP Making Head Way in Sport \(Concussion Awareness\)](#)

Additional Assets:

- Current participation in and interest in the development of squash in the Comox Valley
- Commitment to ongoing learning and alignment with community-based squash programs

If you are responsible, adaptable, and passionate about coaching, we encourage you to apply and join our team to help athletes develop their squash skills in a fun and safe environment.
