

## REQUEST FOR PROPOSAL 2005-09

### Asset Management Software with Tangible Capital Asset Module Addendum No. 2

December 16, 2025

This Addendum shall form an integral part of the project scope of work and shall be read in conjunction therewith. This Addendum shall take precedence over related specifications as they relate to the information below, and of the previously issued scope of work with which it may prove to be a variance, unless otherwise clarified by the Town.

All Proponents **MUST** sign and include this Addendum with their submission.

Questions and Answers:

Q6 Could you please elaborate on the Insurance requirement for Appendix C pre-conditions of Award, A valid copy of current WorkSafe BC clearance letter.

Is this similar to US or Workers compensation insurance, where we just have blanket insurance naming the city in the case of a work accident?

**A6 Work Safe BC is only applicable to workers in B.C. Please refer to the last paragraph, “Workers based out of province” on the WorkSafe BC website link:**
