Name of Project

Address of Project

Legal Description of Project

The undersigned *registered professional* hereby gives assurance that he/she has completed the design review of the building foundation components of the plans and supporting documents prepared by:

in support of the application for the *building* permit, and that the building foundation components of such plans and documents substantially comply with the applicable requirements of the B.C. Building Code.

The undersigned hereby undertakes to be responsible for the *field reviews* of the building foundation components during construction and to prepare and distribute written field reports of such reviews to the *building official*.

The undersigned hereby undertakes to notify the *building official* in writing as soon as possible if the undersigned's contract for *field review* is terminated at any time during construction.

The undersigned confirms that their professional liability, errors and omissions insurance policy covers them for building foundation claims and proof of such coverage has been sent with this letter.
