- 5.2 The Engineering Manager is authorized to order the placing of additional Traffic Control Devices, excluding parking meters, in order to exercise the powers of the Town under this Bylaw and to give effect to the provisions of this Bylaw, including Traffic Control Devices:

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

- (a) to regulate, control or prohibit pedestrian traffic, and vehicle traffic on highways;
- (b) to regulate, control or prohibit the stopping of vehicles;
- (c) for the regulation, control or prohibition of standing or parking of vehicles;
- (d) to set apart and allot portions of highways adjacent to federal, provincial or municipal public buildings for the exclusive use of officials and officers engaged therein for the parking of vehicles and the regulation of such parking;
- (e) at intersections and in advance of intersections as required to prohibit certain movements;
- (f) on highways upon which the traffic is required to travel in one direction only;
- (g) at the end of one-way roadways to prevent traffic entering the restricted area;
- (h) at the beginning of a zone through which restricted sight distance makes overtaking and passing hazardous;
- (i) within and at the end of median strips and traffic islands;
- (j) at locations where, due to adjacent commercial facilities, it is desirable to reserve space for loading and unloading vehicles;
- (k) in locations where truck traffic is prohibited or restricted;
- (l) at locations where, due to the seasonal weakening of road surfaces, obsolescence of pavement or roadway repairs, loads in excess of those prescribed on the sign constitute a hazard to traffic or may cause excessive damage to the highway;
- (m) at locations where a bus or other transit vehicle stops to pick up passengers and it is desirable to restrict stopping, standing and parking such vehicles;
- (n) at locations where free flow of traffic is required for the roadway;
- (o) at locations where it is required to give advance information of the presence of a school adjacent to a roadway, a school crosswalk or a school maximum speed zone or of a playground adjacent to a roadway or its maximum speed zone;
- (p) at locations where pedestrian traffic crosses a roadway and at locations other than at intersections, such as at schools, playgrounds and public buildings where

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

- it is required to control pedestrian traffic;
- (q) in locations where it is permissible to angle park or parallel park;
- (r) designating the location of traffic lanes for traffic on paved streets;
- (s) at locations where it is advisable to warn traffic of hazardous conditions, either on or adjacent to the roadway or prohibit traffic from using the roadway;
- (t) at locations where, due to frequent use by the public, it is desirable to reserve a place for taxicabs only to stop, stand or park to pick up fares;
- (u) at locations approaching crosswalks, school and park zones indicating that passing is prohibited; and
- (v) at locations allowing for parking for disabled persons only.

Subsection 5.3 amended, Bylaw 1358.06, July 30, 2025

5.3 The Engineering Manager may rescind, revoke, amend or vary an order made by the Public Works Superintendent under Section 5.2.

Subsection 5.4 amended, Bylaw 1358.06, July 30, 2025

5.4 Temporary Traffic Control Devices may from time to time as required, be placed by a Traffic Control Officer or upon authority of the Engineering Manager without an order under Sections 5.2 and 5.3, in the interest of public safety.

5.5 No person shall establish, place, maintain, or display upon or in view of any highway, any Traffic Control Device or other device which purports to be or resemble any Traffic Control Device, or any device which attempts to divert the movement of traffic or the parking of vehicles within the Town, except under the authority of this bylaw.

5.6 No person shall obliterate, deface, damage, injure, move, obstruct, or otherwise interfere with any Traffic Control Device placed or maintained within the Town pursuant to this bylaw.

5.7 Every person shall comply with the directions of every Traffic Control Device, except as otherwise authorized pursuant to this bylaw.

6.0 DIVISION IV - Pedestrian Traffic

6.1 At any intersection where crosswalks are marked, pedestrians shall use such crosswalks in crossing the highway.

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

7.0 DIVISION V - Vehicle Traffic

7.1 The driver of any motor vehicle, or rider or driver of any animal, shall not drive such motor vehicle or ride or drive such animal upon any sidewalk or boulevard except on a driveway crossing provided for such purposes.

7.2 No person shall do any act or place any object upon any Town street, right of way or sidewalk which will obstruct or impede pedestrian traffic.

Section 7.2.1 added, Bylaw 1358.07, March 18 2026

7.2.1 No person shall place, deposit or dump, or cause to be placed, deposited or dumped, any liquid or item in or on a Highway or right of way.

7.3 Parking Prohibitions

Except when necessary to comply with the law or the directions of a Traffic Officer, Peace Officer or a Traffic Control Device, no person shall stop, stand or park a vehicle:

- (a) on any sidewalk or boulevard;
- (b) within 6 metres of a flashing beacon, stop sign or other Traffic Control Device located at the side of a roadway;
- (c) within any street intersection, except as permitted by a Traffic Control Device;
- (d) within 5 metres of any fire hydrant, measured from a point on the curb line which is closest to the fire hydrant;
- (e) in front of and within 2 metres of any non-commercial private or public driveway, or in front of and within 5 metres of any commercial driveway or lane;
- (f) alongside or opposite any street excavation or obstruction when stopping, standing or parking in that location obstructs traffic;
- (g) upon or within 6 metres of any crosswalk, except as permitted by a Traffic Control Device;
- (h) on the roadway side of any motor vehicle stopped or parked at the edge or curb of any roadway;
- (i) within 6 metres either side of the entrance to or exit from a firehall;

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

- (j) within 6 metres of an entrance to any school property, on any day when school is in session;
- (k) within 6 metres of any entrance to or exit from any playground or park;
- (l) within 6 metres of the main entrance or exterior vestibule of any hotel unless otherwise marked by a Traffic Control Device;

Subsection 7.3(m) amended, Bylaw 1358.06, July 30, 2025

- (m) in any lane for a period of time longer than is necessary for the expeditious loading or unloading of passengers or materials, so as to prevent the free movement of traffic;
- (n) on any highway for the principal purpose of advertising, washing, maintaining, repairing, wrecking or storing a motor vehicle (except repairs necessitated by an emergency), or for the purpose of displaying such motor vehicle for sale, or for the purpose of selling any commodities or articles;
- (o) on any portion of a highway for a longer period of time than indicated on any Traffic Control Device which is applicable to that portion of the highway;
- (p) on any portion of a highway where the curb or edge of the roadway is painted yellow, except in a signed loading and unloading zone;
- (q) where parking spaces for vehicles are designated by lines on highway, except wholly within the parking space provided;
- (r) whether attended or unattended, not being an emergency vehicle, in a fire lane;
- (s) contrary to any Traffic Control Device;
- (t) except when the Town permits, a driver must not stop, stand or park a vehicle on a roadway other than the right side of the roadway.

Section 7.4 updated, Bylaw 1358.04, Feb 2, 2022

7.4 Where a Traffic Control Device is placed on a Town parking lot or street indicating that the time allowed for parking a vehicle is limited, no person shall park a vehicle for a period longer than the time indicated.

7.5 When a Traffic Control Device is displayed on any highway or Town parking lot indicating that the length of time allowed for parking a vehicle thereon is limited, no person who has

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

parked a vehicle on such highway or lot shall again park a vehicle on such highway, (unless there is an intersection between the two parking spaces) or lot during the next sixty minutes following the expiry of such limited time.

- 7.6 No person shall stop or park a vehicle on any portion of a highway or parking lot operated by the Town, in a space designated for parking vehicles operated by disabled persons unless the operator or passenger of the vehicle is a physically disabled person and a valid disabled person’s parking placard is visible and legible from outside the vehicle.

7.7 Parallel Parking

No person shall park a motor vehicle on any highway not designated for angle parking, other than parallel to and within 30 centimetres of the curb.

7.8 Angle Parking

Upon a highway which has been marked or signed for angle parking, the driver of a motor vehicle shall park such motor vehicle at the angle to the curb indicated by such marks and within 50 centimetres of the curb. Where angle parking is indicated by signs only, the angle of parking shall be 45 degrees, and no person shall park a motor vehicle where the length of such motor vehicle and any trailer attached thereto exceed 6 metres.

7.9 Cul-de-sac Parking

No person shall stand, stop or park a vehicle in a cul-de-sac other than parallel with the outside curb of any cul-de-sac.

Subsection 7.10 deleted, Bylaw 1358.06, July 30, 2025

7.10 Oversize Motor Vehicles

7.11 Passenger Zones and Loading Zones

Subsection 7.11(a) amended, Bylaw 1358.06, July 30, 2025

- (a) Zones for the loading and unloading of passengers or materials may be established at such places in or on any highway as may from time to time be designated by order of the Engineering Manager.

- (b) The passenger and loading zones as constituted on the date of adoption of this bylaw are deemed to be authorized passenger and loading zones established under this bylaw.

Subsection 7.11(c) amended, Bylaw 1358.06, July 30, 2025

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

- (c) Traffic Control Devices indicating or marking passenger and loading zones shall be erected or placed under the direction of the Engineering Manager, and it shall be unlawful for any person to stop, stand or park a motor vehicle for any period of time longer than is necessary for the expeditious loading and unloading of passengers or materials, to a maximum of 15 minutes unless otherwise stated.
- (b) No person shall stop a motor vehicle in any passenger zone or loading zone except while actually engaged in the loading or unloading of passengers or materials.

7.12 Parking on Streets

No person shall leave or park any motor vehicle, trailer or boat at any one location on any highway within the Town for any continuous period exceeding 72 hours.

7.13 Night Parking (*Amended October 5, 2011*)

- (a) No person shall park or leave standing a commercial vehicle, boat or trailer on any highway between 7:00pm and 7:00am on any day.
- (b) No person shall park or leave standing any vehicle on any highway after sunset or before sunrise unless the vehicle is clearly marked with reflectors or other warning devices sufficient to warn approaching traffic of the vehicle's presence on the highway.

7.14 Parking Exemptions

- (a) The provisions of this bylaw regulating the parking of motor vehicles shall not apply to any emergency vehicle while attending at any emergency call, but this exemption shall not excuse the driver of any such motor vehicle from exercising due and proper care for the safety of other traffic.
- (b) The provisions of this bylaw prohibiting stopping or parking shall not apply to:
 - (i) municipal or provincial utility vehicles;
 - (ii) motor vehicles of a public utility corporation;
 - (iii) tow trucks;
 - (iv) contractors authorized by the Town

while the operators of such motor vehicles are actually engaged in work requiring

the vehicles to be stopped or parking in contravention of any of such provisions.

7.15 Obstruction by Motor Vehicles

No vehicle shall be left standing or parked:

- (a) in violation of this Bylaw; or
- (b) in a position that causes it to interfere with firefighting; or
- (c) in a position that causes it to interfere with the normal flow of traffic on the Highway; or
- (d) in a position that causes it to interfere with the construction, improvement, maintenance, snow removal, alteration, extension, widening, marking, or repair of a Highway.

Section 7.16 replaced in its entirety, Bylaw 1358.04, Feb 2, 2022

7.16 Removal of Vehicles, Chattels and Obstructions

Subsection 7.16(a) amended, Bylaw 1358.06, July 30, 2025

- (a) Any vehicle which is stopped, standing or parked contrary to any provision of this Bylaw, or which is otherwise unlawfully occupying a portion of a Highway or public place may be removed, detained, towed or impounded by a Traffic Officer or the Engineering Manager, or by a contractor acting in accordance with the directions of the Town.
- (b) Any vehicle removed, detained, towed or impounded under this Bylaw may be recovered by the owner by paying the fees, costs and expenses set out in the Comox Fees and Charges Bylaw.

Subsection 7.16(c) amended, Bylaw 1358.06, July 30, 2025

- (c) Any chattel or obstructions unlawfully occupying any portion of a Highway or public place that are considered a danger or hazard to persons using the Highway as determined by the Engineering Manager, Peace Officer or Bylaw Enforcement Officer may be removed, detained or impounded immediately by a Traffic Officer or the Engineering Manager.
- (d) Any chattel or obstructions removed, detained or impounded under this bylaw may be recovered by the owner by paying the fees, costs and expenses set out in the Comox Fees and Charges Bylaw.

THIS CONSOLIDATED BYLAW IS FOR CONVENIENCE PURPOSES ONLY AND SHOULD NOT BE USED FOR LEGAL OR INTERPRETIVE PURPOSES WITHOUT REFERENCE TO THE ORIGINAL BYLAW AND AMENDING BYLAWS.

- (e) If a vehicle, chattel or obstruction is removed, detained, towed or impounded, and not claimed by its owner within thirty days from date of seizure, written notice shall be mailed to the registered owner, if known, advising of the seizure and the sum payable to release the vehicle, chattel or obstruction, and the date advertising for sale by public auction, if unclaimed.
- (f) Any vehicle, chattel or obstruction not claimed by its owner within thirty days from the date of mailing of notice may be sold at a public auction, which auction shall be advertised at least once in a newspaper circulated in the Town.
- (g) The proceeds of sale by public auction shall be applied first to the cost of the sale, second to the fees, costs and expenses of the Town or its contractor as set out above and the balance shall be held for the owner. If the balance remains unclaimed at the end of the calendar year, such balance shall be paid into the general revenue of the Town.
- (h) Notwithstanding any other provision of this Bylaw, where any garbage, rubbish or abandoned, unlicensed motor vehicle with an apparent value of less than \$300.00 is left on any highway, such articles may be removed to a landfill and disposed of therein.
